PAPER CUTLERY
& UTENSILS

Health; for human and earth...

VAVpaper cutlery products and utensils are made with the sensitivity of human and earth health. Our products are not only meeting the inevitable need of disposable tableware items but also protecting the earth from uncompotable and unhealthy products. Our motto is *"Our home is our body and our earth"* and we are dedicated to protect our home.

VAVpaper in this direction is adopting the UN Sustainable Development Goals and Zero Waste Policy in addition to the plasticusage ban in the EU, the USA, the UK and other countries such as Canada, the UAE to fight against pollution, famine, and climate change as well as to protect all lifes in nature from micro-plastic.

History

Paper Cutlery sector is new and challenging simply for everyone in all over the world but we are proud of representing our previous experiences to our customers and clients

What We Make?

What we use and produce is purely paper. To sustain the resources and forests well-managable, we use only FSC Certified Papers in our wide-spread production items also with FSC Certification. Unlike others, we are fully taking into consideration of human healths and we do not use "Recycled Paper" in our products. Our saying is very straight-forward: *"Our Products are Recyclable, but NOT made from Recycled"*.

Who We Are?

Vavpaper is a manufacturer of all its disposable tableware items. The entire process of production; procurement of raw materials, production phase, packaging, warehouse management, shipment and delivery, customer and client relations, research and development, Customs management and marketing are run by our Vavpaper family members who are very talented in their respective areas and duties. This simply makes us serving our customers and clients as well as the sector itself perfectly and professionally.

Our Story

Vav Group started its family business journey in 2002 in textile and glassware sectors. In 2021, our family members established the incorporation of **VAV Kağıt Ambalaj Sanayi ve Ticaret A.Ş.** to create “**VAVpaper**” registered trademark.

At the beginning of 2022, we established our first paper cutlery production line in Tekirdag - Türkiye where it is located only 150 km away from the EU border. By having the advantage of our great location and ongoing experience in production, import and export, we manage to reach the best quality raw materials and deliver the highest quality paper cutlery products with lower transportation cost and short delivery time to our customers especially in European Countries.

Our higher and extendable monthly capacity with 50m, allowed us to reach our customers and clients in different 12 countries already, mostly from the EU and the Middle East Counties. As we are very flexible also in customized requests of customers and clients regarding specialized products and various packaging and delivery options, we are very confident and ready to meet you and to meet your needs and requests about all sort of paper cutlery products and utensils.
